INTERVENTION MEANS WAR

WASHINGTON, D. C., Apr. 17.—Governor Richard E. Sloan of Arizona has telegraphed an earnest request to the President in regard to the situation in Douglas, where American lives are endangered by the bullets of the combatants at Agua Prieta. He has asked that the President order the American troops to intervene and compel a cessation of the fighting.

President Taft, in his reply, stated that he feared the intervention of the United States during the height of a fierce battle would inflame anti-American feeling throughout Mexico and place in peril the lives of the thousands of Americans in that country and imperil also the property interests of Americans throughout Mexico.

He announced that he was reluctant to take the final step that might precipitate war between the two countries.

The General Situation. Seven Americans in Douglas, Ariz., were wounded yesterday by flying bullets fired by Mexicans at Agua Prieta. American soldiers drove spectators back from the danger line.

Fighting between the regulars and rebels was most fierce all day at Agua Prieta, neither side gaining any advantage.

Matlero, at the head of 1600 men, expected to attack Juarez today. The federal commander says he will never surrender the city.

Peace delegation from Diaz to Matlero halted by burned bridge.

Insurrectos have cut the Mexican Central Railway line in several places, disabling traffic.

Brownsville, in Lower California, is threatened by Berthold at the head of a large body of troops. The city expects an attack today.

CALIFORNIA ROWERS WIN THE RACE

SAN DIEGO, Apr. 17.—The cutter crew of the U. S. S. California won the championship of the Pacific fleet today by defeating the crack rowers of the U. S. S. Maryland in a three-mile race. The Californians made the distance in twenty-three and a quarter minutes.

MADE MAYOR OF CHICAGO FIVE TIMES

CHICAGO, Apr. 17.—Carter Harrison, elected mayor of this city, today took the oath of office. This is the fifth time he has been sworn in as chief magistrate.

GERMAN SOCIALIST LEADER IS DEAD

TO DEDICATE CHURCH ONLY FREE FROM DEBT

WAILUKU, Maui, Apr. 14.—The Protestant Episcopal and Roman Catholic churches of Wailuku held crowded services today—Good Friday. The Church of the Good Shepherd will hold services for the first time in the new church on Easter Day. Bishop Restarick and Canon Ault and other clergies will be in Wailuku on Sunday, April 23, to open the new church and also to hold confirmation services of candidates now being prepared by Rev. Canon W. S. Short. The new church will not be dedicated until the remainder of the debt on the building is entirely wiped out.

SIMPLY LIGHT AND INSERT TUBE Warmer does the rest

The Welkom Warmer

Size 3 1/2 x 5 1/2 inches, weight 4 1/2 ounces.

The only modern, safe, effective and sensible substitute for the antiquated Hot Water Bag.

No water to heat—no rubber to rot. Will last for years.

The Warmer is made of metal heated within one minute by the lighting and insertion of a paper tube containing a blazeless, smokeless and odorless fuel generating a uniform heat which lasts over two hours at a cost of less than one cent. It is curved to fit any portion of the body and held in place by means of a bag and belt allowing the wearer to move about at will.

AS A PAIN KILLER

The Welkom Warmer has no equal. It can be put into constant action and is indispensable in cases of rheumatism, lumbago, neuralgia, sciatica, cramps, etc.

By placing the Warmer on the affected part the heat being dry, not moist, bakes out the cold. Physicians say that the moist heat of the hot water bag will not cure but aggravate the ailments above mentioned.

Many have been sold—not a single complaint.

Complete outfit including Warmer, bag belt, coil and 10 tubes of fuel sent prepaid to any part of the U. S. upon receipt of \$1.00.

If you wish to know more about this wonderful device write today for free descriptive booklet.
